

School Council Meeting Minutes - 7th May 2013

Present: Hunter, Kyra, Cairis, Federico, Lachlan, Ruben, George, Miss Ritchie

- The new hamster names were discussed and narrowed down to Hammy, Chippy, Sebastian, Henry, Hamsterdam and Chepstow. The reps are to go back and get their class to vote for their favourite.
- Many suggestions were made for our fun day on the 24th May. It was decided that we would have a mufti day. The fun day activities would be based around the hamster. Some of the suggestions included: A hamster obstacle course, making hamster masks, hamster musical statues, Tux paint hamsters, decorating hamster biscuits, hamster word search and dot to dots activities, hamster still life drawing and petting the hamster.
- We discussed the fairest way for the hamster to move around the classrooms. It was decided that the hamster needed to go to the class that was the most responsible. Year 2 School Council members will come around every day to check the following: Tidy cloakrooms, clean floors, chairs tucked in etc. Mrs Barr will award the hamster in Tuesday's assembly.
- The School Council were keen to talk to Chef Angela and make suggestions for the school lunch menu. The reps have decided that they need to discuss this with their class first to decide on their favourite meal.
- On the 5th June Brookwoods are having a 'Planet Matters' Day in support of World Environment Day. This event will include fun activities and a special menu. The school council would like to support this by getting each class to make some recycled decorations for the hall. The reps are to discuss this with their class.

The next School council to be held on Monday 13th May
